- [Profile and settings](#)

This is our initial version of our website plan. To see changes from our Website Review, please review our Peer Review document

Introduction:

For our website design we wanted to create a simple, operable and accessible user experience for users who wanted to join a volunteering organisation.

Roles in our website include:

Visitors, who have not logged into the website, can view organisations, events and posts along with the other pages in the navigation bar.

Users, who can log in to rsvp for events, join organisations and view posts/updates (both those that are public and those exclusive to organisations) and manage their own account information.

Managers, who have the same functionalities as users but have added permissions to create and edit events for organisations, view event attendees and remove them from events, view organisation members and edit organisations, and post public and private updates on behalf of the organisation.

Admins, who have all the permissions above but can also create organisations, manage and delete users and their information, assign others with the admin roles, and delete posts, organisations and events.

Design and UI:

Based on our research, we decided to use a simple user interface, with minimal colours and options to not overwhelm users. We've implemented large image cards and buttons for easier access to different pages and breadcrumbs for users to browse through the website along with a navigation bar at the top of each page. Reducing cognitive and kinematic load on users.

Layout:

The layout of our website is partially inspired by Australian Volunteers, we liked the accessibility that their website offered through their large icons and image buttons.

Colours:

Following the Web Content Accessibility Guide, we wanted to reduce cognitive load for users by using minimal colours that were not too bright. We decided to generate a colour palette to keep the style/layout of the design consistent throughout. These were the colours we decided to use:

For example, we've decided to use the 2 colours right, for all the clickable buttons, and when users hover over them or are currently in a specific page it will change to a lighter blue, assisting users on where they are currently at or informing the users that the button is clickable. The nav bar is the same colour as the buttons to keep up with the consistency that it is a clickable part of the website

Event Name

Event Details

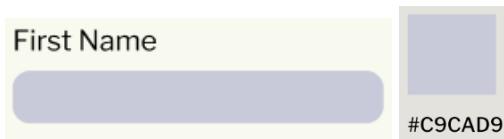

Kindnessa

Contact us | About Us | Newsletter

Kindnessa would like to acknowledge the Traditional Custodians of the many lands on which we live and work. We would also like to pay respect to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples.

We decided to use the same lighter blue to group and section off different content for the users to further reduce cognitive load. This also is consistent with assisting users on where they currently are and it avoids clutter and provides users a way to easier find content they are looking for.

Any places where the users can type in their input is decided to have a dark grey colour to contrast from the rest of the website as well as the background, not too bright coloured to have the text colour changed to white - more accessible and perceivable.

A light purple was decided to be used as an alternate background to the normal white to diversify different items, and showcase different content, this is mainly present in the sidebar for now though.

Edit	Manage	Delete
Edit	Manage	Remove

#D1D2F9

Images:

We will use images throughout the website as buttons for organisations and events. This will help communicate organisations' objectives to users while displaying content in a clear and accessible way.

Fonts:

We will use a maximum of three fonts throughout the website for consistency and organisation throughout the site, assisting users to process information.

Structure

Headers:

Headers will be consistent throughout the website, made up of a website name, profile icon/login and navigation bar for easy navigation throughout the website. Upon login the profile icon will become a dropdown menu for users to manage their accounts.

Before login:

After login:

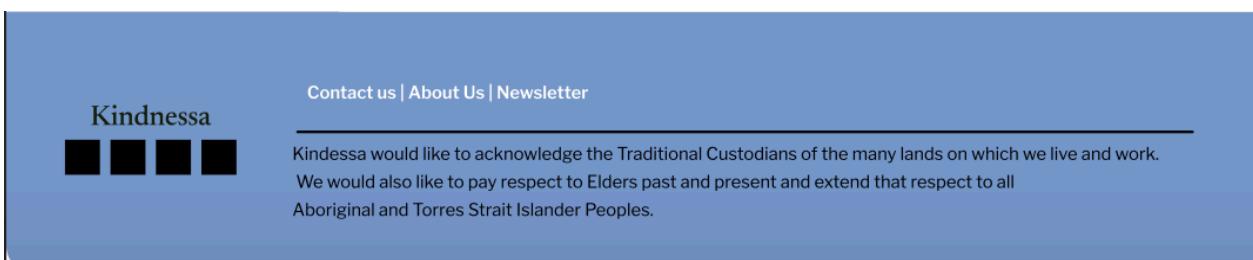

Breadcrumbs:

Breadcrumbs will be visible below the header when users navigate away from the home page.

Footer:

Footers will also remain consistent throughout each page, including hyperlinks to the “Contact Us” and “About” pages with an acknowledgement of the country and links to social media.

Features and navigation:

For our special feature we chose Email Notifications. Users can choose which organisations they would like email notifications from and if they would like notifications about events, posts or both. See the “user account settings” page for more information.

Homepage

Our homepage contains a navigation bar for users to easily navigate and take actions on the website. From here they can directly navigate to the **About**, **Organisations**, **Newsfeed**, **Events**, and **Contact Us** pages. Upon logging in, users will be able to access the drop-down profile menu which will give them the added functionality to access their account details, view their organisations, and events and log out. Below this, we have an image to divide content and present information in a more comprehensive manner, with some text to give users more information about the purpose of the platform. Should a user who is not logged in try to register for an organisation or event, they will be redirected to the login page.

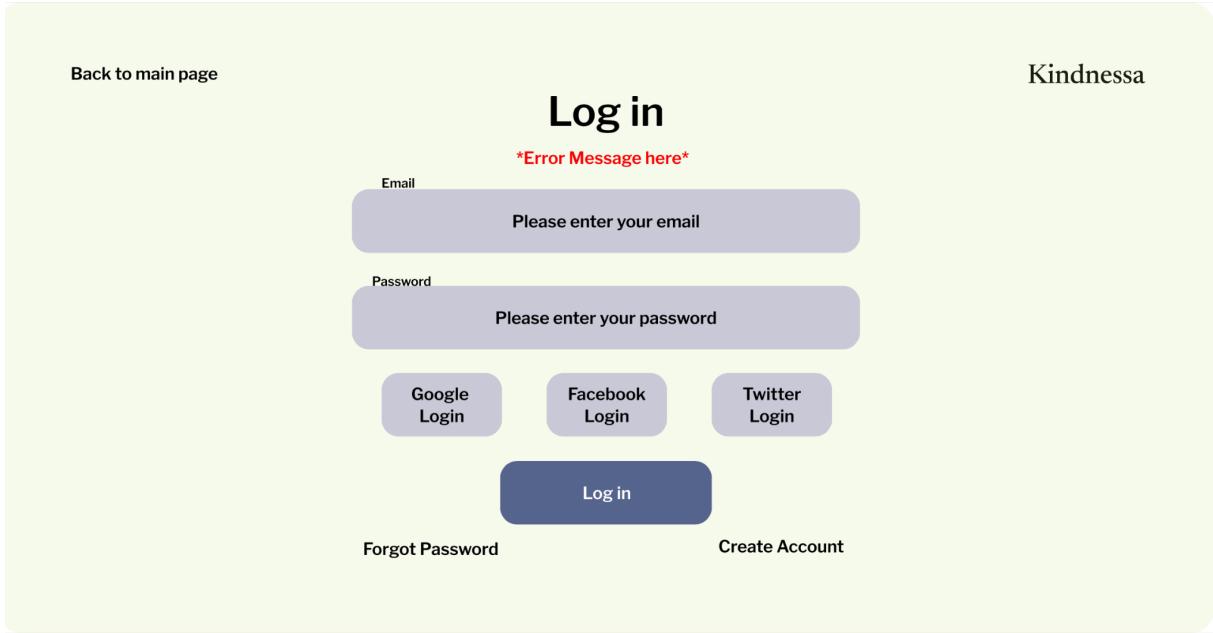

Users can also click directly on organisations, a few of which will be displayed on the page, or they can choose to view all the organisations on the website with “view all” Each organisation will have an image above its name, the same goes for events. This will also give users more information about what the website is for and provides obvious call-to-action buttons for users.

Below this is the footer, as defined in the layout section.

The screenshot displays the Kindessa homepage. At the top, there is a dark blue navigation bar with links for "Kindnessa", "About", "Organizations", "Post Feed", "Events", and "Contact Us". To the right of these links is a user profile dropdown menu titled "Person 1" with options for "Profile", "My Events", "My Orgs", and "Log Out". Below the navigation bar is a large, colorful banner featuring a rainbow gradient, a stylized city skyline at sunset, and a heart-shaped stream of red hearts flowing upwards. The banner has a decorative sunburst effect in the upper left corner. Below the banner, the text "The Volunteer Platform" and "Where helping hands become reality" is centered. The main content area is titled "Organizations" and includes three cards labeled "Organization 1", "Organization 2", and "Organization 3", each represented by a light gray square. At the bottom of the page is a blue footer bar containing the "Kindnessa" logo, social media icons, and links for "Contact us | About Us | Newsletter". A small note in the footer states: "Kindessa would like to acknowledge the Traditional Custodians of the many lands on which we live and work. We would also like to pay respect to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples."

Login page

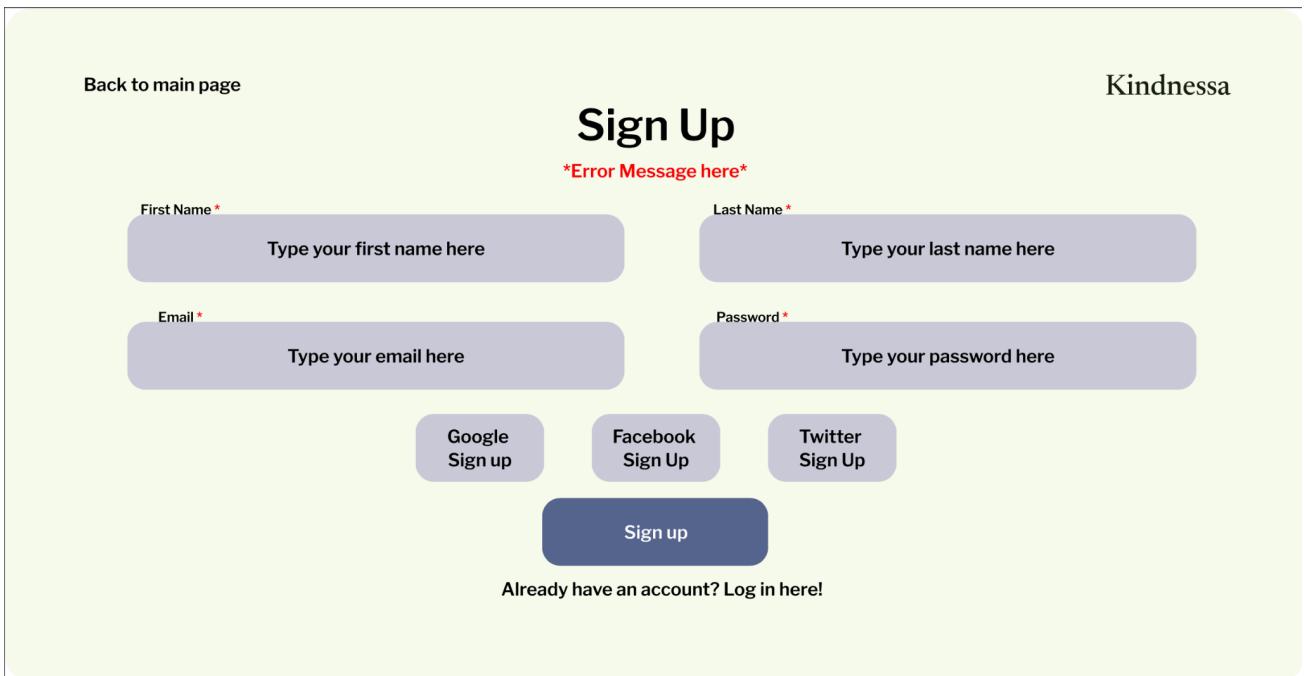

Users can log in from the profile icon in the top right of the header. They will be notified if they input incorrect information and can choose to log in with their email or social media. If they do not have an account, they can choose to create an account by clicking on “create account” beneath the login button or resetting their password with “forgot password” (this is something that we may not decide to implement).

The login page features a light green background with rounded corners. At the top left is a "Back to main page" link, and at the top right is the word "Kindnessa". In the center, the word "Log in" is displayed in a large, bold, black font. Below it is a red error message placeholder: "*Error Message here*". There are two input fields: one for "Email" with the placeholder "Please enter your email" and another for "Password" with the placeholder "Please enter your password". Below these fields are three social media login buttons: "Google Login", "Facebook Login", and "Twitter Login". A large blue "Log in" button is centered below the social media buttons. At the bottom left is a "Forgot Password" link, and at the bottom right is a "Create Account" link.

Signup page

Upon clicking on “create account” users will be directed to this sign up page, where they will be prompted for their first name, last name, email and password. They can also choose to sign up with social media accounts.

The sign up page has a light green background with rounded corners. At the top left is a "Back to main page" link, and at the top right is the word "Kindnessa". In the center, the word "Sign Up" is displayed in a large, bold, black font. Below it is a red error message placeholder: "*Error Message here*". There are four input fields arranged in a grid: "First Name *" with placeholder "Type your first name here", "Last Name *" with placeholder "Type your last name here", "Email *" with placeholder "Type your email here", and "Password *" with placeholder "Type your password here". Below these fields are three social media sign up buttons: "Google Sign up", "Facebook Sign Up", and "Twitter Sign Up". A large blue "Sign up" button is centered below the social media buttons. At the bottom of the page is a link: "Already have an account? Log in here!"

About page

Using the navigation bar, users can view the About page, with some information about what the website does. The footer and header are both present here with breadcrumbs and an image for consistency.

[Contact us](#) | [About Us](#) | [Newsletter](#)

Kindness

Kindessa would like to acknowledge the Traditional Custodians of the many lands on which we live and work. We would also like to pay respect to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples.

Organisations page

The organisation's page can be accessed through the navigation bar or from the “view all” link from the home page. It will include cards containing images and titles of each organisation, helping users discover more organisations by clicking on each organisation card which will direct them to information about each individual organisation. Admins will also be presented with the option to add/create a new organisation.

The screenshot shows a web application interface. At the top, a navigation bar includes links for Kindnessa, About, Organizations, News Feed, Events, Contact Us, and a user profile icon. Below the navigation is a breadcrumb trail: Home > Organizations. The main content area is titled "Organizations". It features a grid of six cards. The first three cards are labeled "Organization 1", "Organization 2", and "Organization 3". The next two cards are labeled "Organization 1" and "Organization 2". The last card is labeled "Admin" with a plus sign icon and "Add Organization". At the bottom of the page, there is a footer with links for Contact us | About Us | Newsletter, followed by a message about acknowledging traditional custodians and respecting elders.

Organisation page (individual)

Individual organisation pages will provide information about each organisation with an organisation name, image, and description of the organisation. It will also display upcoming events from the organisation which users can click on to view individual event pages and users can join organisations with the “join organisation” button which will then change to “leave organisation”.

The screenshot shows a detailed view of an organization page. The top navigation bar is identical to the one on the previous page. The breadcrumb trail shows the user has navigated to "Home > Organizations > Organization 3". The main title is "Organization 3". Below the title is a decorative banner featuring a colorful gradient background with a rainbow and a heart shape. To the right of the banner is a "Join Organization" button. The "About Organization" section contains a paragraph of placeholder text (Lorem ipsum) and a note about acknowledging traditional custodians. The "Organization Events" section displays four placeholder cards labeled "Event 1". A footer at the bottom mirrors the structure of the footer on the previous page, with links for Contact us | About Us | Newsletter, a message about traditional custodians, and a note about respecting elders.

News Feed page

The news feed will have posts available to users from organisations. The posts visible will depend on the organisation users have joined and if they have been posted publicly throughout the platform or privately to organisation members only. Each post will have a title, description and image with the name of the organisation that the post is from. Users can filter through the posts they view using the “all” “public” and “organisation” posts and managers and admins can create posts with the make posts button at the bottom of the page.

The page below has not been updated to the have name of the organisation that posted*

Kindness

Kindness would like to acknowledge the Traditional Custodians of the many lands on which we live and work. We would also like to pay respect to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples.

Events page

The events page will contain events in card form, similar to the organisations page. Each card will contain the name of the event and an image, which users can click on to access information about and register for individual events. The “upcoming events” section of the page will allow users to quickly view events they have RSVP’d for before exploring all the events available. Similar to organisations, managers and admins will be able to create events from this page with the “add event” card beneath the available events.

This screenshot shows the 'Events' page. At the top, there's a navigation bar with links for Kindness, About, Organizations, News Feed, Events, Contact Us, and a user icon. Below the navigation, a breadcrumb trail shows 'Home > Events'. The main content area is divided into two sections: 'Upcoming Events' and 'All Events'. Both sections feature four cards, each labeled 'Event 1'. In the 'All Events' section, the fourth card has a plus sign and the text 'Manager/Admin' above it, indicating an 'Add Event' button. At the bottom of the page, there's a footer with links for Contact us, About Us, and Newsletter, followed by a statement about acknowledging Traditional Custodians and Elders.

Event page (individual)

Users can register for events on individual event pages which also contain information about events including the event name, image, description date, time, location and the organisation hosting the event. The register button will change to unregister once a user is registered.

This screenshot shows an individual event page. The top navigation and footer are identical to the main Events page. The breadcrumb trail shows 'Home > Events > EventName'. The main content area features a large image of a city skyline at sunset. To the right of the image, there are fields for Date, Time, Location, and Hosted by, each with a placeholder value. A 'Register!' button is located below these fields. Below the image, there's a section titled 'Event Details' containing a long block of placeholder text. At the bottom of the page, there's a footer with links for Contact us, About Us, and Newsletter, followed by a statement about acknowledging Traditional Custodians and Elders.

Contact us

The Contact Us page will contain contact information about the platform, with icons to help decrease cognitive load for users.

The screenshot shows the Contact Us page with the following layout:

- Header:** Navigation bar with links: Kindnessa, About, Organizations, News Feed, Events, Contact Us, and a user icon with a dropdown arrow.
- Breadcrumbs:** Home > Contact Us
- Title:** **Lore ipsum**
- Image:** A vibrant, colorful illustration of a city skyline at sunset or sunrise, with a large heart-shaped outline and several smaller hearts floating around it.
- Contact Information:**
 - Lore ipsum**: Phone icon +00000000000
 - Lore ipsum**: Email icon sajkhdkh@yomama.com
 - Lore ipsum**: Location icon 1787 Davis Terrace, Rosariobury, NY 73076-9024
- Footer:** Links to Contact us | About Us | Newsletter. A note from Kindnessa acknowledging Traditional Custodians and Elders.

Profile and settings

User

User profiles will give them options to view and edit profile details, events and organisations they have registered for and the option to log out. They can view this with the drop-down menu from the profile icon along the navigation bar. Upon clicking the menu options, they will be taken to the profile page.

The screenshot shows a user profile page with the following sidebar menu:

- Contact Us
- Person 1
- Profile
- My Events
- My Orgs
- Log Out

Profile/Account Settings page

From account settings, users are presented with a side menu to navigate profile details, events and organisations they have registered for and a logout button. Users can view and modify their personal information. They will also be able to register for email notifications, customising which organisations they receive updates from and what information they are updated about, posts or events.

Account settings / Profile (view details)

The screenshot shows the 'Account settings / Profile (view details)' page. At the top, there is a navigation bar with links for Kindnessa, About, Organizations, News Feed, Events, and Contact Us. A user icon is also present. Below the navigation bar, the breadcrumb path 'Home > Profile > Account Settings' is shown. The main content area is titled 'Profile'. On the left, a sidebar contains buttons for ACCOUNT SETTINGS, MY ORGANIZATION, MY EVENTS, and LOGOUT. The right side is divided into sections: 'Account Information' (ID: 0000000, with an 'Edit' button), 'First Name' (input field), 'Last Name' (input field), 'Email' (input field), and 'Email Notifications' (a table showing notification preferences for 'Lorem Ipsum' with status columns 'Status' and 'Enabled'). At the bottom, there is a footer with links for Contact us | About Us | Newsletter, a message about acknowledging Traditional Custodians, and a copyright notice.

Account settings (edit)

The screenshot shows the 'Account settings (edit)' page. The layout is similar to the previous page, with a navigation bar at the top and a sidebar on the left. The main content area is titled 'Edit Profile'. The right side features 'Account Information' (ID: 0000000), 'First Name' (input field), 'Last Name' (input field), 'Email' (input field), and fields for 'New Password' and 'Confirm Password'. At the bottom, there are buttons for 'Delete Account' and 'Save Changes'. The footer includes links for Contact us | About Us | Newsletter, a message about Traditional Custodians, and a copyright notice.

My organisations page

This page will display all the organisations a user has joined with the options to view each organisation page or to leave them.

The screenshot shows the 'Joined Organizations' section of the website. On the left, a sidebar contains 'ACCOUNT SETTINGS', 'MY ORGANIZATION' (highlighted in blue), 'MY EVENTS', and 'LOGOUT'. The main area displays two organization profiles, each with a large 'X' over it. The first organization is labeled 'Lorem Ipsum' with 'View' and 'Leave' buttons. The second organization is also labeled 'Lorem Ipsum' with 'View' and 'Leave' buttons. At the bottom, there is a footer with links to 'Contact us | About Us | Newsletter' and a message about acknowledging Traditional Custodians.

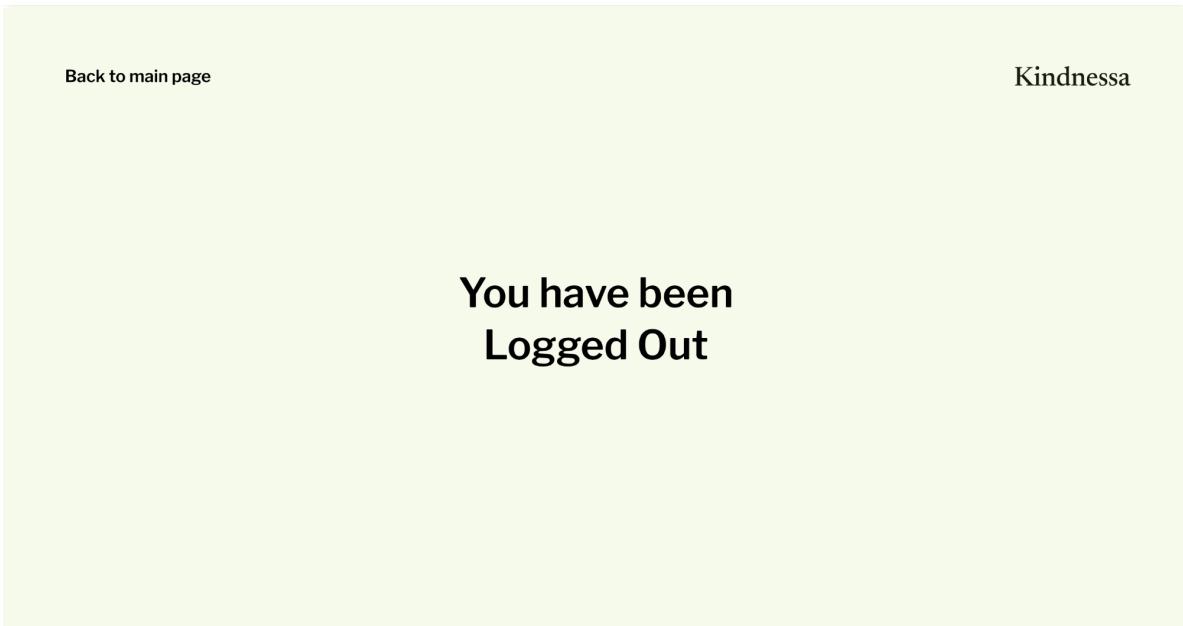

My Events page

This page will be similar to the My organisation's page. Users can view events they have registered for and unregister if they no longer wish to attend.

The screenshot shows the 'Joined Events' section of the website. The layout is identical to the 'Joined Organizations' page, featuring a sidebar with 'ACCOUNT SETTINGS', 'MY ORGANIZATION', 'MY EVENTS' (highlighted in blue), and 'LOGOUT'. It displays two event profiles with 'X' marks, labeled 'Lorem Ipsum' with 'View' and 'Leave' buttons. The footer includes links to 'Contact us | About Us | Newsletter' and a traditional acknowledgment statement.

Logout page

When users click on log out from their profile drop down or the side menu from their account settings, they will be directed to the log out page, informing them that they have logged out of the website.

Manager

Managers will have similar profiles to users but with extra features. They will have extra management tools available to access their permissions available from the side menu. Upon clicking management tools, managers will be presented with more manager options.

A screenshot of a web page titled "Profile" with a blue header bar. The header bar includes links for "Kindnessa", "About", "Organizations", "News Feed", "Events", "Contact Us", and a user icon. Below the header, the URL "Home > Profile > Account Settings" is shown. The main content area has a blue sidebar on the left containing buttons for "ACCOUNT SETTINGS", "JOINED ORGANISATION", "JOINED EVENTS", "MANAGEMENT TOOLS", and "LOGOUT". The main content area is titled "Account Information" and shows the ID "0000000". It has fields for "First Name" and "Last Name" with placeholder bars, and an "Email" field with a placeholder bar. A blue "Edit" button is at the bottom of this section. At the very bottom of the page, there is a footer bar with the "Kindnessa" logo, social media icons, and links for "Contact us | About Us | Newsletter". A small note about acknowledging Traditional Custodians is also present in the footer.

Management Tools page

This page has a similar layout to user settings. Managers can **manage organisations, manage events, create events, manage posts and create posts.**

The first page they will be presented with is the view organisation, where they can view all the organisations they manage to manage their members or manage the organisation.

Manage Organisations (organisations)

The screenshot shows the 'Management Tools' section of the application. On the left, there is a sidebar with buttons for 'MANAGE ORGANIZATIONS', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', and 'CREATE POST'. The main area is titled 'My Organizations' and displays a table of managed organizations:

Organization Name	Owner	Edit	Manage
Lorem Ipsum	Person 1 (a100000)	Edit	Manage
Lorem Ipsum	Person 2 (a111111)	Edit	Manage
Lorem Ipsum	Person 3 (a222222)	Edit	Manage
Lorem Ipsum	Person 4 (a333333)	Edit	Manage

At the bottom of the page, there is a footer with links to 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Manage organisation

Manage Organisations (Manage Members) page

Managers can view their organisation members by clicking on “manage”. They will be presented with all the organisation members and their roles. Managers can also choose to remove members or set them as managers.

The screenshot shows the 'Management Tools' section of the application. On the left, there is a sidebar with buttons for 'MANAGE ORGANIZATIONS', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', and 'CREATE POST'. The main area is titled 'Manage Organizations' and contains two sections: 'Organization Members' and 'Organization Managers'.

Organization Members:

Organization 1		
Person 1 (a100000)	Remove	Set as Manager
Person 2 (a111111)	Remove	Set as Manager
Person 3 (a222222)	Remove	Set as Manager
Person 4 (a333333)	Remove	Set as Manager

Organization Managers:

Organization 1	
Person 7 (a777777)	Remove
Person 5 (a555555)	Remove
Person 6 (a666666)	Remove

Organization Members:

Organization 2		
Person 1 (a100000)	Remove	Set as Manager
Person 2 (a111111)	Remove	Set as Manager
Person 3 (a222222)	Remove	Set as Manager
Person 4 (a333333)	Remove	Set as Manager

Organization Managers:

Organization 2	
Person 7 (a777777)	Remove
Person 5 (a555555)	Remove
Person 6 (a666666)	Remove

At the bottom of the page, there is a footer with links to 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Manage Organisations

Managers can modify organisation page information like organisation names, descriptions and images.

The screenshot shows the 'Edit Organization' page. At the top, there's a navigation bar with links for Kindnessa, About, Organizations, News Feed, Events, and Contact Us, along with a user profile icon. Below the navigation is a breadcrumb trail: Home > Organizations > Edit Organization. The main title is 'Organization Infomation'. On the left, a sidebar contains buttons for Manage Organizations, Manage Events, Create Event, Manage Posts, and Create Post. The main content area is titled 'Edit Organization' and includes fields for 'Organization Name' (with placeholder 'Enter your Organization Name') and 'Organization Description' (with placeholder 'Enter your Organization Description Here'). To the right of these fields is a placeholder for a organization picture with options to 'Add Picture', 'Change Picture', or 'Delete Picture'. A large box allows for dragging and dropping a picture. At the bottom right is a 'Next' button. The footer contains links for Contact us, About Us, and Newsletter, followed by a statement about acknowledging Traditional Custodians.

Manage Events page

The manage events page allows users to view all the events their organisation has created, they can choose to edit each event which will allow them to edit event details or manage events which will let them view and manage users who have registered for events.

The screenshot shows the 'Manage Events' page. At the top, there's a navigation bar with links for Kindnessa, About, Organizations, News Feed, Events, and Contact Us, along with a user profile icon. Below the navigation is a breadcrumb trail: Home > Events > Manage Events. The main title is 'Management Tools'. On the left, a sidebar contains buttons for Manage Organizations, Manage Events, Create Event, Manage Posts, and Create Post. The main content area is titled 'My Event' and lists four events: Event A, Event B, Event C, and Event D. Each event card includes an 'Edit' and 'Manage' button. The footer contains links for Contact us, About Us, and Newsletter, followed by a statement about acknowledging Traditional Custodians.

Manage Events (Manage Attendees) page

From here managers can view event attendees and remove attendees.

The screenshot shows a web application interface. At the top, a dark blue header bar contains the site name "Kindnessa" and links for "About", "Organizations", "News Feed", "Events", "Contact Us", and a user profile icon. Below the header, a light green navigation bar shows the current path: "Home > Events > Manage Events > Event A". The main content area has a blue header "Management Tools". On the left, a sidebar contains five buttons: "MANAGE ORGANIZATIONS", "MANAGE EVENTS" (which is highlighted in blue), "CREATE EVENT", "MANAGE POSTS", and "CREATE POST". The right side shows a section titled "Event A" with a sub-section "Event RSVP". This section lists attendees under "Organization 1": Person 1 (a100000), Person 2 (a111111), Person 3 (a222222), Person 4 (a333333), Person 7 (a777777), Person 5 (a555555), and Person 6 (a666666). To the right of each attendee name is a small "Remove" button. At the bottom of the page, there is a footer with social media icons, a "Kindnessa" logo, and a copyright notice acknowledging traditional custodians.

Manage Events (Edit Event) page

If a manager chooses to edit an event they will be presented with a form to fill in with the information they would like to change. They can modify the date, time, event name, description, location and hosting organisation. Overview may be implemented if we decide to use dynamic cards so that more information is displayed when users hover over cards.

The screenshot shows a web application interface similar to the previous one. The top header and navigation bar are identical. The main content area has a blue header "Management Tools". On the left, a sidebar contains five buttons: "MANAGE ORGANIZATIONS", "MANAGE EVENTS" (highlighted in blue), "CREATE EVENT", "MANAGE POSTS", and "CREATE POST". The right side shows a section titled "Manage Event" with various input fields. The fields include: "Title" (Event A), "Date" (10/05/2024, 6:00pm), "Location" (Lorum Ipsum), "Image" (Browse... No files selected), "Overview" (Lorum Ipsum), "Event Details" (Lorum Ipsum), "Person in Charge" (Lorum Ipsum), and a "Change!" button. At the bottom of the page, there is a footer with social media icons, a "Kindnessa" logo, and a copyright notice acknowledging traditional custodians.

Create Event page

Managers can create events with the same information as the “manage events” page.

The screenshot shows a web application interface for creating an event. At the top, a navigation bar includes links for Kindnessa, About, Organizations, News Feed, Events, Contact Us, and a user profile icon. Below the navigation is a breadcrumb trail: Home > Events > Add Events. A blue header bar labeled "Management Tools" contains a "Create Event" section. This section includes fields for Title (Event A), Date (10/05/2024, 6:00pm), Location (Lorum Ipsum), Image (Browse... No files selected), Overview (Lorum Ipsum), Event Details (Lorum Ipsum), and Person in Charge (Lorum Ipsum). A "Create!" button is located at the bottom right of the form. The footer features a "Kindnessa" logo with four squares, a "Contact us | About Us | Newsletter" link, and a message acknowledging Traditional Custodians.

Manage Posts

Here managers will be able to view posts from their organisation and have the options to edit, delete or create a new one.

The screenshot shows a web application interface for managing posts. At the top, a navigation bar includes links for Kindnessa, About, Organizations, News Feed, Events, Contact Us, and a user profile icon. Below the navigation is a breadcrumb trail: Home > Events > Manage Events. A blue header bar labeled "Management Tools" contains a "My Posts" section. This section displays four posts: "Post A", "Post B", "Post C", and "Post D". Each post card includes an "Edit" and a "Delete" button. The footer features a "Kindnessa" logo with four squares, a "Contact us | About Us | Newsletter" link, and a message acknowledging Traditional Custodians.

Manage Posts (Edit Post)

Managers can edit previously made posts with posts with a title, image and description.

The screenshot shows the 'Edit Post' page. At the top, there's a navigation bar with links for 'Kindnessa', 'About', 'Organizations', 'News Feed', 'Events', 'Contact Us', and a user icon. Below the navigation is a breadcrumb trail: 'Home > Events > Add Events'. A blue header bar says 'Management Tools'. On the left, a sidebar has buttons for 'MANAGE ORGANIZATIONS', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS' (which is highlighted in blue), and 'CREATE POST'. The main content area is titled 'Edit Post'. It has fields for 'Title' (containing 'Lorum Ipsum'), 'Image' (with a 'Browse...' button and a message 'No files selected'), and 'Description' (containing placeholder text about Lorem ipsum). Below these is a 'Post Visibility' section with 'Public' and 'Private' buttons, and a 'Post!' button. At the bottom, there's a footer with 'Kindnessa' and four small icons, followed by links for 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Create post

From here, managers can create posts with a title, image and description. They can also choose the post's visibility. If it's only visible to organisation members or visible to all users.

The screenshot shows the 'New Post' page. The layout is similar to the 'Edit Post' page, with a navigation bar, breadcrumb trail, 'Management Tools' header, and a sidebar with the same buttons. The main content area is titled 'New Post'. It has fields for 'Title' (empty), 'Image' (with a 'Browse...' button and a message 'No files selected'), and 'Description' (empty). Below these is a 'Post Visibility' section with 'Public' and 'Private' buttons, and a 'Post!' button. At the bottom, there's a footer with 'Kindnessa' and four small icons, followed by links for 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Admin

Admins will have the added functionality to manage users' information individually, view member roles, assign users as admins and create organisations. They will have an extended side menu including manager permissions however some pages they access will appear differently to managers'.

Manage Organisations (Admin)

Admins will have added functionalities from this page. They will also be able to delete organisations. Upon clicking "edit" or "manage" they will be presented with pages identical to manager organisation management pages.

The screenshot shows the 'Management Tools' section of the Kindnessa website. On the left, a sidebar contains buttons for 'MANAGE ORGANIZATIONS', 'CREATE ORGANIZATION', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', 'CREATE POST', and 'MANAGE USERS'. The main area is titled 'All Organizations' and displays a table of four organizations. Each organization row includes columns for 'Organization Name' (e.g., 'Lorem Ipsum'), 'Owner' (e.g., 'Person 1 (a100000)'), and 'Edit', 'Manage', and 'Delete' buttons. A 'New Organization' button is located at the top right of the table. At the bottom of the page, there is a footer with links to 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Create Organisation

Admins can create organisations with a name, description and image.

The screenshot shows the 'Organization Infomation' section of the Kindnessa website. On the left, a sidebar contains buttons for 'MANAGE ORGANIZATIONS', 'CREATE ORGANIZATION', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', 'CREATE POST', and 'MANAGE USERS'. The main area is titled 'Add Organization' and contains fields for 'Organization Name *' (with placeholder 'Enter your Organization Name') and 'Organization Description' (with placeholder 'Enter your Organization Description Here'). To the right, there is a large input field for 'Add Picture' with options 'Add Picture', 'Change Picture', and 'Delete Picture'. Below this is a box for dragging and dropping images with the text 'Drag and drop here or browse'. At the bottom right is a 'Next' button. The footer includes links to 'Contact us | About Us | Newsletter' and a note about acknowledging Traditional Custodians.

Manage Events (Admin)

Admins' version of this page is similar to Managers' just with the added option to delete events.

The screenshot shows the 'Management Tools' section of the admin interface. On the left, a sidebar contains buttons for 'MANAGE ORGANIZATIONS', 'CREATE ORGANISATION', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', 'CREATE POST', and 'MANAGE USERS'. The main area is titled 'All Events' and lists four entries: 'Event A', 'Event B', 'Event C', and 'Event D'. Each entry has a title, a small preview text, and three buttons: 'Edit', 'Manage', and 'Delete'. At the bottom of the page, there is a footer with links to 'Contact us | About Us | Newsletter' and a note about acknowledging traditional custodians.

Manage Posts (Admin)

This will be similar to managers but with an option to delete posts from across the whole website.

The screenshot shows the 'Management Tools' section of the admin interface. On the left, a sidebar contains buttons for 'MANAGE ORGANIZATIONS', 'CREATE ORGANISATION', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', 'CREATE POST', and 'MANAGE USERS'. The main area is titled 'All Posts' and lists four entries: 'Post A', 'Post B', 'Post C', and 'Post D'. Each entry has a title, a small preview text, and two buttons: 'Edit' and 'Delete'. At the bottom of the page, there is a footer with links to 'Contact us | About Us | Newsletter' and a note about acknowledging traditional custodians.

Manage Users

Here admins can view/edit user roles, edit user details and delete accounts. We may decide to also have the option to enable and disable accounts.

The screenshot shows the 'Management Tools' page with a sidebar on the left containing buttons for 'MANAGE ORGANIZATIONS', 'CREATE ORGANISATION', 'MANAGE EVENTS', 'CREATE EVENT', 'MANAGE POSTS', 'CREATE POST', and 'MANAGE USERS'. The main content area has a title 'Manage Users' and a table:

User ID	Status	Enable/Disable	Edit	Delete
Lorem Ipsum	Enabled	<input type="button" value="Change Status"/>	<input type="button" value="Edit"/>	<input type="button" value="Delete"/>
Lorem Ipsum	Enabled	<input type="button" value="Change Status"/>	<input type="button" value="Edit"/>	<input type="button" value="Delete"/>

Below this is another table titled 'User's Roles':

User ID	Role	User	Manager	Admin
		●	●	●
		●	●	●
		●	●	●
		●	●	●

At the bottom of the page, there is a note: 'sample text to put in here when decided do' followed by a text block about acknowledging Traditional Custodians.

Manage Users (Edit User)

If an admin decides to edit a user's information they will be presented with this page where they can edit or delete information similar to the user's "account settings" page.

The screenshot shows the 'Profile' section of the 'Account Settings' page. The sidebar on the left contains the same set of buttons as the previous screenshot. The main content area has a title 'Account Information' and displays the user ID 'ID: 0000000'. Below this are fields for 'First Name', 'Last Name', and 'Email', each with a corresponding input field. At the bottom right are buttons for 'Delete Account' and 'Save Changes'.

At the bottom of the page, there is a note: 'sample text to put in here when decided do' followed by a text block about acknowledging Traditional Custodians.

Please keep in mind that this is our initial plan for our website. To find changes we made after our Website Review, please review our peer review documentation.
